BioValley Strategy Day 2013

Wednesday, 25th September 2013

Event Partner:

"Getting out of the Starting Blocks: Support Organisations for Start-ups and Young Entrepreneurs"

Wednesday, September 25, 2013
09:00 – 11:35

Program

9:00	Jost Harr (Basel, CH)	Welcome and Introduction	BioValley Basel
9:10	Sebastian Friess (Bern, CH) Leiter Innovationsförderung Staatssekretariat für Bildung, Forschung und Innovation	Swiss National Support Initiatives	Federal Department of Economic Affairs, Education and Research
9:40	Prof. Lutz Nolte (Bern, CH)	CTI Support Program	CTI
9:50	Stefan Blarer (Basel, CH) Coach CTI Peter Burckhardt (Basel, CH) Geschäftsführer EVA u. Inkubator Christof Klöpfer (Basel, CH) Geschäftsführer i-net	Regional Support for Start-ups and Innovation	
10:10	Coffee Break		
10:40	Francisco dell'Endice (Dübendorf, CH)	Case Study 1	QualySense AG
10:55	Alessio Marchesi (Basel, CH)	Case Study 2	Medical Insights AG
11:10	Q&A / Discussion	Moderator: Jost Harr (Basel, CH)	
11:35	End		

Lunch Symposium - Paul Scherrer Institute "The power of synchrotron radiation for outstanding analyses in the field of Life Science"

Wednesday, September 25, 2013
12:45 – 13.25

Program

11:45	Stefan Mueller (Villigen, CH) CEO	Industrial Collaboration: How to make it happen at the Swiss Light Source	Swiss Light Source Technology Transfer AG Paul Scherrer Institut (PSI)
12:05	Kevin Mader (Villigen, CH)	Synchrotron-based tomographic microscopy: opening new horizons to biomedical Research	TOMCAT Beamline, Swiss Light Source (SLS) / PSI
12:15	Fabia Gozzo (Bruxelles, BE) Founder and CEO	Breakthrough advances in synchrotron X-Ray Powder Diffraction for the Enhanced Characterization of Pharmaceuticals	Excelsus Structural Solutions S.P.R.L.
12:25	Andreas Menzel (Villigen, CH) Group Leader	Peaking into the Nanoworld – Advanced X-ray Scattering Methods and What They Can Do for You	Coherent X-ray scattering Swiss Light Source /PSI
12:35	May Marsh (Villigen, CH)	The Swiss Light Source Crystallisation Facility	Crystallisation Facility Swiss Light Source / PSI
12:45	Santina Russo (Klingnau, CH) Senior Scientist and Communications Manager	Data Collection Service for crystallographic data at the SLS by Expose	Expose GmbH
	Panel Discussion with all Speakers	Moderator: Aline Cossy-Gantner	Cossgan
13:25	End		

Swiss Innovation Park

Wednesday, September 25, 2013
14:30 – 17:40

14:30 Goldiges Lächerli
BioValley Award 2013

Program

(Sprache: Deutsch)

14:30	Goldiges Lächerli 2013 Awardee 2013: Martin Hicklin (Basel, CH)	Annual BioValley Award	
14:45	Swiss Innovation Park Andreas Flury (Bern, CH) Verein Swiss Innovation Park		Verein Swiss Innovation Park
	Christoph Niederberger (Bern, CH) Generalsekretär		Konferenz Kantonalen Volkswirtschaftsdirektoren
15:30	René Rhinow (Basel, CH) Präsident	Aus der Sicht des regionalen Clusters der Nordwestschweiz	Verein Schweizer Innovationspark Nordwestschweiz
16:00	Coffee Break		
16:20	Panel Discussion: Andreas Flury (Bern, CH) Sebastian Friess (Bern, CH) Christoph Niederberger (Bern, CH) René Rhinow (Basel, CH) Franz Saladin, (Basel, CH) Joachim Seelig (Basel, CH)	Moderation: Esther Girsberger (Zürich, CH)	
17:40	End
